This week Reception and Class 1 had another special visitor. This time they had a representative from the Yorkshire Air Ambulance come in to talk to them about how the Air Ambulance and paramedics help us.

Also, a huge congratulations is in order for our football team who attended a tournament yesterday and won. We now have a magnificent trophy on display in the entrance.

I hope you all have an enjoyable but safe Bonfire Night over the weekend.

Class teachers will usually be available for an Open Door meeting at the end of the school day, during handover.

In some cases, the teacher may not be available for genuine reasons and a different meeting time should be arranged. If you feel that the matter needs more than 10 minutes to discuss, then parents should phone the

We seem to have an awful lot of lost property again. The lost property box will be in the hall next week after school to have a look through. Anything left on Friday will either be sent to the clothing bank or put into our second hand uniform boxes.

Logs

We are looking to source some logs to use in our Forest School area. If anybody is able to help in getting us some logs that would be suitable for a seating area we would be grateful.

Firework Safety

Remember, remember to celebrate safely!

Have fun, stay safe and attend an organised display.

Bonfire night can be great fun for all the family but it is important that you celebrate safely.

We are appealing to everyone to take great care this bonfire night. We recommend that you visit an organised display. If you are having a display at home please make sure you follow the firework code.

It's a fact that many accidents are caused by improper use of fireworks and by carelessness. Figures show that more children than adults get hurt by fireworks.

The Firework Code

- Only buy fireworks marked BS 7114.
- Don't drink alcohol if setting off fireworks.
- Keep fireworks in a closed box.
- Follow the instructions on each firework.
- Light them at arms length, using a taper.
- Stand well back.
- Never go near a firework that has been lit. Even if it hasn't gone off it could still explode.
- Never put fireworks in your pocket or throw them.
- Always supervise children around fireworks.
- Light sparklers one at a time and wear gloves.
- Never give sparklers to a child under five.
- Keep pets indoors.
- Don't set off noisy fireworks late at night and never after 11pm.
