

# Sacred Heart Newsletter

*“Christ Be Our Light”*

Friday 11th January 2019

**Welcome, Witamy, Bienvenue, மலர்வோ** to this week’s Newsletter. We hope everyone had a wonderful Christmas break. We have had a positive start to the New Year and term and are focusing on positive behaviour in school.

## Behaviour in school

This term we are really focusing on all aspects of good behaviour as, unfortunately, bad habits are creeping in.

We have gone back to basics and are reminding children about:

- Not talking when a teacher is talking
- Listening to instructions
- Sitting smartly in assembly and class
- Not leaving the classroom without permission
- Entering the classroom quietly and calmly
- Being ready to learn

As always, we appreciate your support in reinforcing the importance of excellent behaviour at school.

## PE Kits

Please can we ask that children bring their PE Kits into school on Mondays and take them home on Fridays. We are finding that children are not bringing their kit on a weekly basis and we have very little in the way of spares. Children need to have black shorts/leggings/jogging bottoms, t-shirt in their house colour, black tracksuit top and a pair of suitable trainers in case PE is outdoors.

## Year 5 Swimming

Year 5 start swimming lessons on Monday 14th January until Monday 25th March, a total of 10 weeks.

Swimming is part of the National Curriculum and although the School Budget subsidises this, we ask if parents/guardians would make a voluntary contribution towards the cost of the transport of £25 for 10 lessons.

We do not require consent for your child to go swimming as it is covered by the consent on enrolment form that was completed at the beginning of the academic year.

Each week we celebrate the efforts, hard work and behaviour of our children who are exemplary role models in our school. Well done!

Elliott	Ella
Grace	Lucy
Cody	Kaalwin

## Forest School

The children will be taking part in another two workshops during the Spring Term so keep an eye on the Diary Dates. If anybody has any materials that we could use in our Forest School, please could they be brought into school. We are looking for things such as:

Wooden Pallets

Ground Sheets

Poles

Logs

Tree branches—diameter 5cm plus if anyone is pruning, for sawing into discs with the KS2 children.

Well Done to Matthew and Jacob who have both passed their next level at swimming.
