Rolling Visit Forms

Thank you to those who have returned their Rolling Visit forms to the school office. There are still a few missing so a text will be sent next week to those we are missing. It is vital that these are returned to school immediately to allow your child to leave the school premises on local visits, this includes church. . If you require another form or are unsure if we already have it, please contact the school office. Thank you.

Food allergies and dietary requirements

It is very important that we have the correct food allergy and dietary requirements for all children. We will be sending out letters next week to children who we currently have on record with food allergies and dietary requirements, just to make sure that the information is current and up to date. Please inform the school office of any changes that occur throughout the school year with regards to your child. Thank you.

Garden Party

On Monday 25th September, we will be holding a Garden Party after school. This is to tidy up the gardens in the EYFS area ready for the Winter. If anybody would like to donate some bulbs to be planted ready for Spring it would be greatly appreciated. Everyone is welcome to attend the party, please bring any tools that you may have. Refreshments will be available and will be served by our resident 'Tea 'Boy' Mr. Lawson.

Oops!

Please note the Class 3 archaeological trip to Northallerton is Wednesday 27th September, not 26th as stated in the letter. Sorry for any confusion.

Lost Property

The lost property box will be in the hall again all of next week for parents to claim anything that may be theirs. Anything left at the end of next week will become second hand uniform or be sent to charity.
