I am very pleased that our Daily Mile and Reading Café have started again this week. There are different reading activities to help your child develop good comprehension skills. Your child will be bringing home a library book that they have borrowed from our school library. Please encourage your child to read the book and return it promptly on the due date stamped in the book. During the Reading Café, we provide the pupils with fresh fruit and vegetables to eat, so we are asking parents of pupils in Key Stage 2 not to send in a snack (for the morning) with their child as there will not be time to eat it after reading café.

Any missing data and permission forms were sent out yesterday to parents. Please complete and return to school as soon as possible so that we can ensure all of our information is up to date.
