Our lovely learning!!!

This week as part of other faiths week the children have been learning about Judaism.

Judaism is one of the oldest monotheistic religions and was founded over 3500 years ago in the Middle East.

Jews believe that God appointed the Jews to be his chosen people in order to set an example of holiness and ethical behaviour to the world

Whitby Class

To celebrate Jewish New Year, Whitby class baked a honey cake. Jewish New Year is a time of family gatherings, special meals and sweet foods.

Byland Class

Byland class have been learning about the Passover Seder meal. The Passover Seder is a Jewish ritual feast that marks the beginning of the Jewish holiday of Passover.

Fountains Class

Fountains class have been making their very own Torahs. The Torah is the first part of the Jewish bible. It is the central and most important document of Judaism and has been used by Jews through the ages.

If anybody has any cupcake trays for baking that they no longer need, please could they be brought into school so that they can be used when the children do baking.

Thank you.
