Firstly, I would like to thank all that were involved in our Garden Party on Tuesday evening. It was a hugely successful event and something that we would like to arrange again during the Summer months.

Please can I remind parents that children should only be bringing water into school to drink in the classroom. Fruit juices and smoothies should not be brought into school unless part of a packed lunch. Children should not bring fizzy drinks into school for any reason. Thank you for your co-operation.

Our Gospel Values - Dignity and Compassion

"Blessed are those who mourn, for they shall be comforted"

- Learning and playing with others peacefully, cooperatively and inclusively
- Working co-cooperatively with others, joining in and doing my part
- Using words of encouragement and kindness
- Including others, respecting all cultural traditions
- Being aware of others' needs and generously taking action to make a difference
- Joining in and celebrating faithfully and prayerfully
- Sharing my skills for the good of others/Volunteering
- Being willing to give away things
- Making a gift of your time for others
- Showing forgiveness to others
- Trying not to moan and complain about unimportant things

Mobile Phones in school

Please can we remind parents that children should not have mobile phones in school. It has been brought to our attention that some children are bringing phones into school then playing on them at lunchtime. Not only do we want to ensure that phones don't get lost/broken, we cannot monitor the material that children may be accessing.

We understand that on some occasions when children are walking to and from school alone, they may need to bring their phone. If this is the case, please ensure the phone is handed in to Mrs Outram on arrival at school and collected again at the end of the day.

Garden Party

A huge thank you to all staff, parents and children who came to our garden party on Tuesday after school. It was a great success, everybody worked so hard to make the cottage garden look wonderful. Also thank you for the plant donations that were received these have made such a difference in the EYFS outdoor area.

Statement to live by

I can learn from my mistakes and failures.

CAFOD Lenten Lunch

Thank you to all of the children that had the Lenten Lunch last Friday. The school has now donated £110 towards the World Gift Fund that we are accumulating throughout the year in order to purchase a wider range of gifts from the CAFOD World Gift catalogue at Christmas.

Caterpillars in EYFS

Over the last week, the caterpillars in EYFS have grown to about 10 times their original size. We are expecting in the next few days for them to hang upside down and make their cocoons.
