Booking Lunches

Please can we remind parents of the new lunch booking system. Meals have now been booked up until we break for Easter. Now choices have been made, we would encourage children to stick to their choice, and not to change them although we understand that sometimes it may be required. This is to ensure the correct amount of food is ordered in advance. Can we also ask that parents discuss with and remind their children of their lunch option as we are experiencing children getting upset when they have been booked for an option that they were not expecting.

Thank you for your cooperation.

WANTED

It's getting to the time of year where we have a good sort out at home.

If anybody has any unwanted clothing/shoes for both boys and girls aged 7-8 years and 8-9 years then the Friends of Chernobyl's Children will happily take them.

The charity will be bringing 14 children over to the UK from Belarus in June and they will be staying with families in and around Northallerton. These children come from deprived areas of Belarus that have been affected by the Chernobyl Nuclear Disaster. The children usually arrive with nothing, just the clothes they are wearing.

The charity provides clothing for the children for their months stay and sends them back with a suitcase brimming with clothing and gifts. So both Summer and Winter clothes are useful.

Please bring any items you may have to the school office.

Thank you for your support.
