Welcome, Witamy, സ്വാഗതം Bienvenue, to this week's Newsletter.

Walk for Water for CAFOD

Before Easter our children took part in Walk for Water for CAFOD and we raised £270 in school donations. Adam in Year 3 also raised £235 bringing our overall total to an amazing £505!

Thanks to you all.

ParentPay

As we start to approach the end of the academic year, please could we remind parents to keep up to date with payments on ParentPay and make sure any outstanding payments are made in full by the end of term.

After School Club

Our after school club is now up and running. We will send the code out to everyone next week ready to book May sessions. Please keep the code safe as this can be used throughout May for booking sessions.

School mission Statement

Next week we will be sending home a questionnaire to help us form our new Mission Statement. If this is something you would like to be more involved with, please let us know.

Bromcom

We have started using a new MIS system in school called Bromcom. The new system allows us to send texts and emails so from next week, we will no longer be using Teachers2Parents for communicating with parents.

The parish newsletter is now available on the school website each week.

Nursery Places Available

We have funded places available in our nursery for

children aged 3+ for 15 and 30 hours.

Google Chromebooks

We are in the process of switching over from iPads to Chromebooks in school. This is really exciting as we have not had our technology updated for some time. Saint Margaret Catholic Academy Trust are working with York based company, Vital, to ensure our school gets as much technology support as possible.

Class Captains and House Teams

We are updating our House system and will keep you posted.

Last week, pupils voted for Class Captains and Vice Captains. We had ballot papers, ballot boxes and returning officers!

Well done to:
