

Sacred Heart RC Primary School Reception Long Term Plan for 2018 – 2019

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Theme	Amazing Me	Sparkling Bright	Brilliant Julia Donaldson	People Who Help Us	God's Amazing Creation	Once Upon a Time
Overview	Pupils will think about what makes them special, how their bodies work, what their senses are and how to be healthy. They will practise talking about feelings and learn how others may have different emotions. They will think about they have changed since they were a baby.	Pupils will be inspired by space, make a rocket and think about what they would take on a trip to the moon. They will investigate different planets and use their imagination to draw and write about aliens. They will learn about Bonfire Night, Diwali and Christmas	Pupils will be encouraged to recreate Julia Donaldson stories, using drama, music and dance. They will compare books that rhyme with ones that don't. They will make up their own rhymes. They will explore the illustrations of Axel Schaffer and other artists.	Pupils will think about the jobs that people in the community do which help them. They will create questions for these people. They will be visited/ visit a range of People who help us. Children will consider what job they would like to have when they are older.	Pupils will investigate what plants need to grow and be healthy. They will look at similarities and differences between trees and plants. They will investigate mini beasts.	Children will listen to range of traditional tales, learn the refrains and then compare the stories with alternative versions. They will create their own stories about dragons, fairies, princesses and giants. They will explore castles with a trip to Richmond Castle and will design and build their own.
Literacy	Correct pencil grip Speaking in sentences. Name writing. Rhyming and repeated phrases. Saying initial sounds. Reading cvc words	Writing initial sounds Segmenting and blending sounds in words Writing CVC words and captions	Reading simple sentences Understanding what a sentence is Recognising the number of words in a sentence Retelling simple stories Reading tricky words	Reading polysyllabic words Writing tricky words Writing sentences Writing capitals	Reading back what has been written Knowing that information can be retrieved from books and computers	Writing sentences that include finger spaces, capital letters and full stops

Maths	Number – counting and recognition 1-10	Shape, Space and Measure: 2D Shapes Money Numbers: Addition and subtraction	Numbers: Counting and recognition 0-20 Shape, Space and Measure: Size, weight and capacity	Numbers: Addition and subtraction Shape, Space and Measure: 3D shape Time	Numbers: Counting and recognition 0-20 Addition and subtraction Doubling, halving and sharing	Shape, Space and Measure: Position and distance Numbers: Numbers over 20
Understanding the world	What special means Seasonal change Keeping healthy	Similarities and difference in festivals and customs	What is special to us. Changes to materials Seasonal change: winter Investigating ice	Talking about different jobs The Easter story Seasonal change: spring	How we show what is special to us. Observations of change in nature	Seasonal change: summer Similarities and difference between buildings
ICT	Technology around us. Programmes to support numeracy and literacy	Using software to produce artwork Programs to support numeracy and literacy learning	Using cameras to record work inside and outside Programs to support numeracy and literacy learning	Using online maps Programs to support numeracy and literacy learning	Using software to draw and write observations of animals or plants. Programs to support numeracy and literacy learning	Videoing performances Using software to compose Programs to support numeracy and literacy learning
Physical Development	Moving safely with control Using equipment safely. Personal hygiene	Keeping safe outdoors Dance Pencil control	Drama-inspired PE Using scissors safely and effectively	Using large PE apparatus Moving safely using equipment Keeping safe	Hop, skip, jump Using different joining techniques safely Keeping healthy	Ball and small apparatus Team games Using tools appropriately

PSED	Following class rules. Playing co-operatively, taking turns.	Choosing resources independently Talking about behaviour	Adjusting behaviour to different situations	Listening to and taking account of another's ideas	Asking for help when needed	Working as part of a team
C and L	Listening to others ideas and responding appropriately	Talking confidently about experiences	Julia Donaldson plays Asking 'how' and 'why' questions	Effectively expressing ideas Asking and answering questions	Following and giving instructions Using the tenses correctly	Developing narratives
EAD	Colour mixing Self portraits Music: Beat and tempo	Designing and building rockets Firework pictures Drawing aliens Christmas performance Tuned percussion Music: Loud and quiet, high and low	Building homes for Stick Man and the Gruffalo Music: Music and literacy Julia Donaldson's songs	Making maps Music and mathematics Drawing plans Songs for Easter show	Observational drawings of plants Animal patterns and printing Musical texture Creating music to represent the natural world	Collage Creating a coat of arms Designing and building castles Musical timbre Songs for the end of year show
